SANKALP

**REPORT ON VARIOUS ACTIVITIES ORGANISED UNDER FORUM
FOR YEAR 2023-2024**

Forum Name: Sankalp

Forum In-charge: Dr. K. D. Ganvir

Academic Year: 2023-2024

Introduction

The *Sankalp Forum* has been actively organizing a series of co-curricular and extracurricular activities during the academic year 2023-2024 under the guidance of Dr. K. D. Ganvir (Forum In-charge). These activities were designed to enhance students' technical knowledge, creativity, teamwork, leadership qualities, and overall personality development.

The forum ensured active participation from students through well-planned events conducted in a structured and engaging manner.

Details of Activities Conducted under Sankalp Forum (2023–2024)

Sr. No.	Name of Activity	Date	Time	Venue
1	E-Sport Competition	16/09/2023	11:30 AM onwards	Seminar Hall, 4th Floor
2	Mind Mapping / Idea Generation / Abstract Writing	30/09/2023	11:30 AM onwards	Seminar Hall, 4th Floor
3	Quizomania (Technical & General)	07/10/2023	11:30 AM onwards	Seminar Hall, 4th Floor
4	Game of Kings (Chess) & Carrom Board	21/10/2023	11:30 AM onwards	Sports Room, 3rd Floor
5	Round Table Discussion	04/11/2023	11:30 AM onwards	Seminar Hall, 4th Floor
6	Model Building / Prototype Illustration	18/11/2023	11:30 AM onwards	Seminar Hall / Laboratory

Objectives of Activities

- To promote technical and analytical skills among students
- To encourage innovation, creativity, and idea generation
- To develop teamwork and leadership qualities
- To enhance communication and presentation skills
- To provide a platform for extracurricular engagement

Details of Activities Conducted

1. E-Sport Competition

Date: 16/09/2023

Time: 11:30 AM onwards

Venue: Seminar Hall (4th Floor)

Description:

An E-Sport competition was organized to engage students in strategic gaming and enhance their decision-making and coordination skills. The event encouraged healthy competition and team spirit among participants.

2. Mind Mapping / Idea Generation / Abstract Writing

Date: 30/09/2023

Time: 11:30 AM onwards

Venue: Seminar Hall, 4th Floor

Description:

This activity focused on developing creative thinking and presentation skills. Students were asked to present their ideas using only a single PowerPoint slide, which encouraged concise communication and clarity of thought.

3. Quizomania (Technical & General)

Date: 07/10/2023

Time: 11:30 AM onwards

Venue: Seminar Hall, 4th Floor

Description:

A quiz competition covering both technical and general knowledge domains was conducted. The activity enhanced students' awareness and encouraged continuous learning beyond the classroom.

4. The Game of Kings & Carrom Board

Date: 21/10/2023

Time: 11:30 AM onwards

Venue: Sports Room, 3rd Floor

Description:

This recreational activity included chess (“Game of Kings”) and carrom competitions. It helped in improving concentration, strategic thinking, and relaxation among students.

5. Round Table Discussion

Date: 04/11/2023

Time: 11:30 AM onwards

Venue: Seminar Hall, 4th Floor

Description:

A round table discussion was conducted on relevant technical and social topics. Students actively participated by expressing their views, improving their communication, critical thinking, and confidence.

6. Model Building / Prototype Illustration

Date: 18/11/2023

Time: 11:30 AM onwards

Venue: Seminar Hall / Laboratory

Description:

Students showcased their innovative ideas through model building and prototype illustration. This activity promoted hands-on learning, design thinking, and practical implementation of engineering concepts.

Glimpse of various events:

Outcomes of Activities

Improved student participation in co-curricular activities
Enhanced technical knowledge and practical skills
Development of communication and presentation abilities
Strengthened teamwork and leadership qualities
Encouragement of innovation and creative thinking

Conclusion

The activities organized under the *Sankalp Forum* during the academic year 2023–2024 were highly beneficial in the holistic development of students. Under the guidance of Dr. K. D. Ganvir, the forum successfully created a platform for students to explore their talents, improve their skills, and actively engage in both technical and non-technical domains
